## Notes:

- Kern (5) and Valley (6) districts have dissolved and therefore members in Bakersfield are in Central Valley, and those in Stockton are in North Central
- The South Coast district (27) was dissolved about 5 years ago and is part of Los Angeles, although not counted in LA yet. **If you are a member of South Coast and want to be part of San Diego or Citrus districts please let us know.**
- \* Literally this district does not exist yet, as Channel Islands and Santa Lucia both dissolved some time ago. Our treasury is holding scholarship moneys in reserve for this group if they should reform. **If you are a member of Central Coast and want to be active, please contact Caryl.**

## Students
